SPECIAL PERENNIALS

Extra Heavy—Field Grown Clumps

They're not old, overgrown clumps. Planted in 1917 for a prominent landscape architect for use in several big jobs which have been postponed. By arrangement with him we are able to offer them to the trade, and shall be glad to make special quotations to anyone interested in all or any part of the list.

While we aim to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not, at any time, be held responsible for a greater amount than the original price of the stock.

We cannot undertake to supply long and much assorted lists of stock calling for only small quantities of each kind, save at an advance of 10 to 25 per cent. above our printed rates.
